Ronald
Stefan

Collect ideas on:

- where do we want the get stronger as a team?
- what works better as a team than individually?
- where is potential for excellence?
- quick wins vs long-term wins?

Group Work 4

- make ideas more concrete
- what does already exist, where can we built upon?
- what are possible obstacles?
- what context do we need for doing this?
- what are possible next steps?
